Pair Of Gilt Bronze Wall Sconces - France, 19th Century

1 300 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Elegant pair of three-light gilt bronze wall sconces, finely chased and later electrified.The central body, richly decorated with foliate scrolls, opens into three curved arms ending in shaped drip pans.The upper section features floral motifs, while interlaced garlands gracefully hang from the lower part, expressing the refined Louis XVI taste.In excellent condition, with original gilding showing a beautiful aged patina.Comes with six beige fabric shades with embroidered trimming, showing slight signs of use consistent with age.France, 19th century Height: 58 cm Electrified
