

## Part Of A Paris Porcelain Table Service, Louis Philippe Period, 19th Century

550 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

### Description

Part of a 19th-century Paris porcelain dinner service, Louis-Philippe period, decorated with polychrome floral bouquets on a white background. A gold rim completes the decorative composition. The set comprises six soup plates, six dinner plates, and six dessert plates. The set is in very good condition with some wear and scratches.
