### Description

Belgium / 1930 / Desk Lamp / metal, travertine / Art Deco  
A striking example of early 20th-century Belgian industrial design, this 1930s desk lamp embodies the sleek geometry and material honesty of the Art Deco era. The lamp features a robust metal shade and arm, mounted on a solid travertine base that provides both stability and visual weight. The combination of cool metal tones with the warm natural stone creates a balanced aesthetic, functional yet elegant. Its adjustable arm and head make it ideal as a working or reading light, while the sculptural form ensures it stands beautifully as a decorative object in any modern or vintage interior. Excellent vintage condition with light wear consistent with age and use. A rare and authentic piece that captures the craftsmanship and innovation of
