Description

Exceptional Large Station/Public Establishment Clock, Giant Dial (Mathias) - Industrial StyleDescription:Superb and imposing oversized wall clock, likely originating from a public building, train station, or factory. Its minimalist design and spectacular size make it a perfect statement piece for an industrial, loft, or contemporary interior.Dial: Highly legible white enameled (or similar) dial, featuring large black Roman numerals and a dotted minute track. The hands are massive and show a nice patina.Signature: The clock is signed "MATHIAS" in the center, suggesting the authenticity of period establishment clocks.Casing: The case is square, in a matte black finish, providing a striking contrast to the bright dial.Protection: The dial is protected by a
