Description

Vietnamese Bronze Bust - 19th Century. Elegant patinated bronze bust depicting a Vietnamese dignitary or scholar, finely chiseled and with a beautiful expression. The figure is shown wearing a traditional tunic and a turban. The bronze has a deep and even brown patina, highlighting the quality of the modeling and the realism of the face. The bust rests on its original carved wooden base, decorated with openwork stylized scrolls, perfectly suited to the piece. Vietnamese work, 19th century. Dimensions: Height 23 cm, Width 23 cm. Very good overall condition, slight wear consistent with age.
