Antique Ring With A Sunstone Called Sunstone

2 900 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Vintage yellow gold ring with a band made of three interlocking gold wires that hold a cushion-shaped setting at the top. The central setting features a large cushion-cut briolette sunstone in a bezel setting. The band is a curb chain. Period: 20th century. Main material: 18k yellow gold (750/1000). Total weight of the sunstone: approximately 3.56 carats. Proportions: Height: approximately 16.5 mm, width: approximately 14.3 mm, thickness: approximately 5.3 mm, band width at the base: approximately 2.7 mm. Net weight: approximately 4.3 g. Antique jewelry - circa 1960s. Our opinion: The sunstone set in this ring is sublime, with brilliant reflections, and is particularly well showcased by this vintage setting! Resizing is possible; please contact us.
