Description

A large, cylindrical vase...With a slightly flared shape...! Made of straw-yellow overlay crystal...Blown and cut...In perfect condition except for a few scratches on the base...And some soiling, especially at the bottom...I've cleaned it thoroughly...A beautiful, large vase...!With a lovely thickness...!This quality is quite rare...From the 1900s...From the SAINT LOUIS crystal factory - FRANCE...Unstamped because at the time they used a paper label that came off easily in the wash...!The stamp, the one we know now, appeared in the 1930s...Weight 3 kg 207 g...
