### Description

Pair of fully restored Louis XV style walnut chairs (upholstery and reupholstery redone). Although they can be sold separately, they are part of a four-piece living room set (two chairs and two armchairs, all currently being reupholstered in the same fabric). The beautiful walnut wood is in perfect condition and likely dates from the late 19th or early 20th century. The set is very comfortable, highly decorative, and classically elegant. The price is EUR1000 for the pair of armchairs or EUR1600 for the complete set (chairs and armchairs). Finally, the restoration of the seats was done using traditional methods (no staples, but tacks, etc.).
