Description

Vintage Fortune Telling Machine - "Your Line" (France, circa 1960) Charming vintage mechanical fortune teller machine, known as "Your Line," likely once used in fairs, cafes, or gambling halls. This unique piece offered visitors the chance to discover their destiny through the mechanical reading of palm lines. The central dial, richly illustrated with colorful motifs typical of the 1960s, features a hand with the main palmistry lines as well as figures of fortune tellers. The front panel combines laminated wood and chrome-plated metal elements, with a coin slot and a backlit circular window. A beautiful curiosity, both decorative and a testament to mid-20th-century folklore. Condition: Good overall condition with signs of use, works perfectly. 50-centime coin included.
