

Gilded Wood In The Regency Style

590 EUR

Period : 18th century

Condition : Bon état

Material : Gilded wood

Width : 35 cm

Height : 48 cm

Description

Gilded wood carving of a woman's head framed by scrolls and foliage. The head is surmounted by a palmette. The carving is of very high quality.

The wood is intricately carved in the palmettes, requiring great skill. The old gilding shows wear in the raised areas. Good overall condition: two scrolls have been reattached. 18th century.
