Description

Brown full-hide leather jacket by REDSKINS JACKET TYPE B32, ARMY & CIVIL QUALITY MARK, SIZE XL. Fully lined in wool and satinette with piped trim, featuring a detachable lined hood with a five-snap closure at the collar. Six horn flip-top buttons with leather plackets. One horn flip-top button on a tab on each sleeve and an invisible zipper under a leather strip. Two interior zippered pockets and two exterior patch pockets with gussets. The leather is in very good condition and very thick, with no holes or tears. The wool and satinette lining with piping is very clean, with no discoloration under the armpits or tears in the lining (see photos for details). In very good used and preserved condition, having been worn very little. Dimensions: Total length 85 cm, Back
