Description

This exquisite oil on canvas from 1880 captures a vibrant summer landscape in the Alps. It presents a picturesque nook: a small watermill with a grassy roof sits by a quiet river, a lone female traveler with a dog and a bundle of firewood walks along a scenic path, and tall mountain peaks dissolve in the hazy mist in the distance. Soft, naturalistic tones and carefully crafted light create depth and a cozy pastoral atmosphere. While we were unable to identify the artist from the "EW" monogram, the quality of the brushwork and composition is evident and leaves no doubt about the author's high professionalism. This European landscape is a true gem equally suited for a collector of European painting or as a striking accent in a modern interior.DETAILS:Artist: Unidentified. The
