Pair Of Hair Combs

360 EUR

Period : 19th century

Condition : Bon état

Description

Pair of worked horn combs, the first: the upper part, finely openwork, is decorated with organic and plant motifs typical of the Art Nouveau style, evoking stylized petals or palmettes and inlaid with rhinestones. 11.4 x 11.4 cm. The second: The top of the comb is decorated with a very fine twisted relief, very beautiful original patina. 11 x 9 cm.
