

Aquamarine Cocktail Ring

4 000 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

A large vintage ring featuring a wide, tapering band made of several openwork gold wires at the base. At its center, a round briolette-cut aquamarine is held in prongs within a setting resembling a crown, adorned with arabesques and openwork. Period: 20th century. Main material: 18k yellow gold (750/1000). Total weight of the aquamarine: approximately 10.63 carats. Proportions: Height: approximately 16.7 mm, width: approximately 16.5 mm, thickness: approximately 9 mm, band width at the base: approximately 3 mm. Net weight: approximately 8.4 g. Authentic antique jewelry - work from the 1960s. Our opinion: Although substantial and large, this ring sits perfectly on the finger and is therefore easy to wear.
