Vintage pendant featuring an openwork and chased lozenge design with floral motifs. At the center, a step-cut citrine is held by four flat prongs. Period: 20th century. Main material: 18k rose gold (750/1000), eagle's head hallmark. Total weight of the citrine: approximately 21 carats. Proportions: Height: approximately 5.5 cm, width: approximately 3.4 cm, thickness: approximately 11.2 mm. Net weight: approximately 13.1 g. Authentic antique jewelry - French work from the 1960s. Our opinion: Despite its substantial size, this vintage citrine pendant is remarkably elegant thanks to the intricate work of the openwork and chases surrounding the citrine.
