

"holy Family" Pre-convention Spain XVIII Cites 3 Statuettes In A Frame

1 500 EUR

Period : 18th century

Condition : Bon état

Material : Ivory

Length : 58,5cms avec debord

Width : 52,5cms avec debord

Description

The three statuettes are placed on a small wooden console adorned with gilt brass, resting on a brown velvet background, all within a molded wood and stucco frame (with some damage) dating from the 19th century, the framer's label on the back. The Virgin's hand is missing, but the sculpting is of fine quality (open mouth). An original and unusual composition in this material. Dimensions: Mary and Joseph 18.5 cm, 25 cm with console; Child 13 cm.
