Description

A splendid and very imposing polychrome wooden display cabinet, finely painted and carved. The two lower doors depict Asian figures. Louis XV style, probably an Austrian work (I've just been told that a similar cabinet can be found in Vienna at the Schönbrunn Palace). The cabinet is in good condition (unrestored), with some minor restoration work to do : a few touch-ups to the polychromy and some small losses to the carving (nothing serious). Height 280 cm, Width 220 cm, Depth 60 cm
