

Small Giltwood Frame In The Louis XVI Style

180 EUR

Period : 19th century

Condition : Parfait état

Material : Gilted wood

Height : 23 cm

Description

This small medallion frame is carved from a single piece of gilded wood and is ready to hang. In the pure Louis XVI style, it dates from the late 19th century. Delicately carved, the decorative details are very well executed, such as the hanging ribbon ending in a Louis XVI bow, and the beaded border of the medallion, which adds a beautiful stylistic touch. Diameter as pictured: 7.8 cm. Shipping available within France and internationally; please contact me for details.
