Description

A bathroom box... In molded blown crystal...
From the Le Creusot crystal factory - France...
With a mount and lid in solid gilt silver, in
vermeil... Certified with the hare's head and old
man's head hallmarks, 2nd standard... From
Paris... I only have the first letter of the maker's
mark, a P... So it's impossible to know which
maker it is...! Approximately 800/1000... With an
openwork frieze... The vermeil is in superb
condition...! A slight deformation on the lid and a
small scroll missing from the frieze (see photo)...
The crystal is perfect... The lid has a small rim to
facilitate opening the band glued to the crystal...
Dating from 1819-1838... It may have been part
of a toiletry set or a travel case...? Weight... The
lid alone weighs 49.5 grams, and the total weight
is 349 grams...
