Description

COD 11400 An elegant Venetian dresser from the mid-20th century. This curved furniture is finely carved, lacquered, gilded, and painted with exquisite floral decorations. It has three drawers and a wooden top, of good size and function. This well-proportioned bedroom or living room commode is ideal for antique dealers and interior decorators. The two wooden sides of the furniture have small horizontal cracks due to the movement of the wood and the passage of time (see photo). Structurally sound and solid, the piece has a beautiful patina with some signs of age. Overall, it is in fair condition. As each of our products it will be accompanied by a certificate of authenticity and guarantee with photographic documentation.
