

Pair Of Polylobed Pendants, Circa 1900, French Work.

800 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Length : 2,8 cm

Description

Pair of polylobed earrings, circa 1900, French made. Centered with a polylobed motif with openwork decoration, and enhanced by a teardrop motif. The setting is 18-karat (750/1000) yellow and white gold, with a maker's mark and a hallmark of a horned eagle's head. The earrings slip on over the front and fasten with a clasp at the back. Length: 2.8 cm. Weight: 2 g. In very good condition, these earrings are original and easy to wear. Free shipping within France with declared value and insurance, accompanied by an invoice sent by email.
