Description

Magnificent mid-period Napoleon III table, in floral marquetry on a rosewood background... Tapered and fluted legs with brass dripstones. It has a working drawer with its key... Its top and stretcher, terminating in a brass finial, are reminiscent of the Louis XIV style, while the legs are reminiscent of the Louis XVI style. We can therefore confidently attribute this table to the Napoleon III style. The piece has been fully restored and finished with a traditional French polish.
