Description

A warm and decorative dining table... a 3cm thick breccia marble top with a chamfered edge and beveled corner. Magnificent wrought iron base crafted with twists, scrolls, and coils, circa 1900. Treat yourself to the luxury and sophistication of antiquity with this marble and wrought iron table, and let its ancient history add a unique dimension to your interior décor, creating an ambiance worthy of ancient palaces in your own home. The wrought iron base and marble top can be sold separately.
