Description

Nina Ricci costume necklace, circa 1960. Protected by a soft leather case, this necklace is highly original in its design and remarkable in its craftsmanship. The floral style is created by incorporating glass paste into a metal setting, a true work of art. The charm of the cool colors of the (articulated) floral garland is enhanced by the foliage that extends into a chain down to the clasp, signed N on one side and R on the other. In perfect condition...perfect to wear with a little black dress! Case dimensions: 17cm x 17cm
