Clock And Censolettes With Putti, Marble And Gilt Bronze, 19th Century

2 850 EUR

Signature : Signé sur le cadran

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

A Louis XVI style clock and candelabra set with putti, crafted from chased and gilt bronze and molded white marble. The bases are decorated with rows of pearls, laurels, and toupie feet. Dating from the 19th century, the signature on the dial is partially effaced: "...the elder...clockmaker to the King in Paris." In excellent condition, with beautiful gilding, the movement is in working order. Includes pendulum, bell, and original key; front and back glass in perfect condition. Clock height: 57 cm; Candelabra height: 42 cm.
Shipping within France: 100 euros
