Description

Early 20th Century Iron Chandelier, in perfect condition, restored and rewired. Unusual structure with ten curved scrolling arms on two tiers, decorated with iron spiral patterns and lapislazzuli and ivory color painted metal sheet balls. A long shaped iron stem ending in the lower part with a flower bulb containing an ostrich eggshell. The final blue wooden sheet ball has been repainted. Good condition, rewired for 10 E14 light bulbs. Of Italian origin, hand-crafted, this is a unique work of art. Height: 107 Cm without chain Diameter: 65 cm
