

## Pair Of Patinated And Ormolu Bronze Candelabras Circa 1800

2 100 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 16,5cm

Height : 35,5cm

### Description

Pair of patinated and ormolu bronze candelabras. France Directoire-Consulate period, circa 1800. Elegant pattern with a patinated bronze vestal resting on a gilt bronze base, supporting two candle arms on her shoulders. Beautiful fine gold gilding. NB : We also offer for sale a fine Directoire/Consulate period mantel clock, very similar in design, which would make a matching mantelpiece set (see last pictures). Excellent condition : no missing parts, gilding is very well preserved. Height: 35.5 cm Width: 16.5 cm
