### Description

Superb Sarreguemines earthenware wash set, featuring a delightful polychrome floral design in soft, harmonious tones, typical of the Art Nouveau aesthetic. This beautiful set includes: a large pitcher with a handle, a wide basin, a brush holder, a soap dish, and a sponge bowl. Each piece is decorated with stylized poppies in shades of green, yellow, and red, on a delicately shaded almond green background. The set exudes a refined and romantic charm, perfect for a period bathroom, bedroom, or decorative display. In very good condition, with vibrant colors.
