Description

Oval pocket reliquary with small statuette, 18th century - TIN25REL003. Reliquary in fairly good condition, featuring a small Virgin and Child in its center, with some damage and a previous repair. The relics of five saints are present. Are they St. Amand, St. Thonan, St. Modeste, St. Exupère, or St. Thévol? The mica is not perfectly joined at the edges of the box. However, the reliquary is complete and in fairly good condition. It has internal decorations of paper filigree. 18th or possibly early 19th century. The box closes with a lid, and the whole is covered in green brocade with bullion embroidery around the edge. The relics remain intact. Dimensions: approximately 10.5 x 7 x 2 cm. Fast and well-protected shipping. Worldwide shipping.
