### Description

Bronze Sculpture -- signed Vincenzo Balestrieri (late 19th - early 20th century) Elegant bronze sculpture attributed to Italian artist Vincenzo Balestrieri, active between the late 19th and early 20th centuries. The work bears the artist's signature and displays the refined modeling and expressive realism characteristic of Italian bronze craftsmanship from this period. Likely executed between 1890 and 1910, it reflects Balestrieri's interest in dynamic composition and naturalistic representation.
