Wall-mounted Flower Basket, Sweden, Early 19th Century

3 800 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Width : 65

Height : 48

Depth : 33

Description

A semi-circular flower basket in the shape of a vase, dating from the early 19th century. The wall is decorated with finely crafted leaf and rosette motifs, highlighted by vertical supports. A narrow band of beaded brass, despite a few minor scratches, adds a touch of elegance. The veneered basket is elegantly finished with circular inlays on the upper rim. Its authentic, unrestored patina enhances the historical charm of this decorative piece.
