Diameter : 28 cm

Height : totale 80 cm

Description

An imposing and original lamp in carved alabaster and metal, dating from the late 1960s or early 1970s. It comprises a body with a carved, slender neck, all resting on a square base. The large, turned, diabolo-shaped lampshade features a carved central frieze and sits atop a three-pronged square iron support. In very good overall condition and beautifully presented.
