650 EUR

Signature : JARRY

Period : 20th century

Condition : Bon état

Material : Oil painting on wood

Description

Large Art Deco oil painting on panel, signed lower right Jarry (20th century), countersigned and titled on the back on a label from a salon located in Normandy, with a sale price of 15,000 francs (approximately 2,200 euros). The portrait depicts a young woman, her bust positioned in a neutral, almost melancholic pose, dominating the background. She is slightly off-center to the left against an architectural backdrop. In front of her are a chair and a table on which are placed a fruit bowl and a vase of flowers. The brushstrokes are intense and textured, contributing to the impression of depth. The colors are quite vivid and contrasting, creating a contemplative atmosphere. The painting is framed in molded wood with silver leaf. Dimensions: 80 cm x 67 cm
