Description

Pair of Berber crescent-shaped fibulae known as "Khlal," made of finely chased solid silver, decorated with small birds, stylized plant motifs, and flowers. Originating from Tunisia (Tunis), Maghreb, hallmarked (see photos), dating from the late 19th to early 20th centuries. These fibulae are in good overall condition, in their original state, superb quality. They are hallmarked (see photos). Please note: some minor dents, scratches, and signs of wear consistent with age; please examine the photos carefully. We have other Berber jewelry for sale on this site. Dimensions: Width 14.3 cm, Length with pin 15.5 cm, Weight 211 grams, Height 105 cm. All photos are available at: www.antiques-delaval.com
