Description

Here is a very interesting Art Nouveau frame for two "carte de visite" format photos. The lanceolate leaves, reminiscent of *Atriplex Hastata* (Haste's Orache), are set within the highly stylized frame made of gilt bronze, contrasting with the silvered metal of the leaves. The original glass panes are slightly chamfered and in perfect condition. A diptych frame dating from around 1900. Dimensions for the photos: 10.5 x 6.5 cm. Shipping within France and internationally; please contact me for details.
