Description

Josep Cusachs i Cusachs (1851-1908) (attributed to): "Two Horses at the Watering Trough," oil on canvas, 46 x 55 cm, mounted in a more recent gilt frame, 59 x 68 cm. The canvas, slightly trimmed on all four sides, bears the signature Cusach in the lower left corner. Refixing and light cleaning have restored this work to its original appearance. This work, while not as meticulous as the military paintings that made this Catalan artist famous, is virtuoso, depicting two horses resting near a watering trough fed by a fountain pouring from a mascaron.
