

## Antique Tibetan Thangka Of Shakyamuni Buddha, 19th / 20th Century

245 EUR

Period : 19th century

Condition : Bon état

Material : Other

### Description

A nice small Tibetan thangka depicting Shakyamuni Buddha, painted in rich mineral pigments. The Buddha is shown seated in vajrasana on a lotus throne, his hands in the bhumisparsha mudra, the gesture of "calling the earth to witness," one of the classic attributes identifying Shakyamuni.

Surrounding the central figure is a detailed assembly of attendant deities, bodhisattvas, and protective figures, set within a lively background of scrolling clouds and floral motifs. The palette -- dominated by deep reds, greens, and blues -- is typical of Tibetan painting of the 19th / 20th century.

The thangka is presented in an older glazed frame with traditional red borders. The back bears the label of Arthur Djouroukhian, Restorer of Works
