

Pair Of Art Nouveau Naturalist Candlesticks In Gilt Bronze

350 EUR

Period : 20th century

Condition : Parfait état

Material : Bronze

Width : 20 cm

Height : 25 cm

Description

With their flowing curves, these are two highly original Art Nouveau candlesticks in a naturalistic style, crafted from gilt bronze. These two-light candlesticks are formed from "bindweed" with twining branches, their bases composed of lanceolate leaves, and finally, their sockets are shaped like flowers. These charming and delicate pieces, dating from the turn of the last century, are truly delightful. Shipping available within France and internationally; please contact me for details.
