

18th Century Corner

2 400 EUR

Period : 18th century

Condition : Parfait état

Material : Wood marquetry

Height : 84

Depth : 48

Description

An 18th-century Regency-style corner cabinet in rosewood, crafted in an umbrella shape. The feet are enclosed in gilt bronze, and the interiors are lined with inlaid oak, a sign of quality. The work of a Parisian cabinetmaker of the 18th century.
