Description

Late 20th century, probably with a signature on the back: Beatrice Sastre. A very beautiful, brightly colored plate featuring a bird cut out and glued onto glass, protected by a layer of paint on the back... in a lovely Italian Arte Povera style that used similar trompe-l'oeil techniques. Six different birds available. Diameter 23 cm. There may be a few very minor imperfections, but overall in very good condition. Full of charm. Price: EUR90 each
