Description

Two lovely blown glass bottles, greenish and translucent, with a thick, inward-curving base, a visible pontil mark, a beautiful shoulder, and an elongated neck with a flared end. Two pretty glass pieces, slightly different colors, with different necks. I've heard that these sample bottles were often blown by children. Found in our region of Languedoc... perhaps they were used by wine representatives... Dimensions: large size: 26cm and 22.5cm x 5cm. Good condition, no flaws. Please look carefully at our photos... Good condition, some visible soiling. Insured shipping: EUR10 for France. This item is available for immediate purchase, payable by credit card or PayPal. - eclectic - We are not experts, but have been in the business for over 50 years. Hassle-free refund if you are not satisfied.
