Description

Set of 6 Val Saint-Lambert Crystal Bowls - Luxval Noémie Pattern. This set of six molded crystal dessert bowls, with matching saucers, is from the Val Saint-Lambert Luxval "Noémie" pattern, a Belgian design from the 1950s-1960s. Each bowl is made of colored crystal with a molded petal decoration, typical of this series, creating beautiful plays of light between the clear center and the tinted sides. The six colors are different: pink, plum, yellow, green, olive green, and cobalt blue. Bowl diameter: 10 cm. Saucer diameter: 13 cm.
