

Louis XIV Commode

9 300 EUR

Period : 18th century

Condition : Très bon état

Material : Wood marquetry

Length : 1.30

Height : 0.84

Depth : 0.63

Description

A commode, inlaid with violet wood, opening with four rows of drawers, surmounted by a Royal marble top from the 18th century. The interiors are oak, Parisian work from the early 18th century. The bronze mounts are very fine, with drop handles on the valets. They have been cleaned. Restoration, standard use and maintenance, varnished with a traditional French polish.
