

## Nevers Plate, Late 18th Century

70 EUR

Period : 18th century

Condition : En l'etat

Material : Earthenware

Diameter : 23,5 cm

### Description

We are presenting this pre-revolutionary Nevers plate as a historical document, as it still bears the fleur-de-lis royal crown. It is in poor condition, stapled at the base. However, it is a variant, as all the others we have examined have a different central decoration. It is in its current state but still of interest in my opinion. Weight: 465g. Shipping extra (EUR25).
