### Description

In the past, we used to give fun gifts for births or baptisms. This children's set is made of Baudour porcelain. It includes seven antique pieces in mint condition... freshly unwrapped from their wooden straw packaging. There's a water cup, a handled cup on its saucer, and a dessert plate that happily holds a bowl for serving bread. And for when the baby is older: a soup bowl and a dinner plate. Teddy bears and their playful antics add color to the set, all framed by delicate gold trim.
