### Description

Large baluster-shaped lamp base in Satsuma Japanese ceramic, mounted on bronze and brass, late 19th century. Decorated with figures, actors or dancers. Electrification OK, functional switch, B22 bayonet socket, long cord: 2.50 m. Good overall condition, with a small chip on the lower mount and a discreet hairline crack at the base of the vase, barely visible (see photos). The "pagoda" lampshade is stained, not visible in the photo, but it has halos. However, the frame is in good condition and can be reused, reupholstered with new fabric. Very careful shipping is possible in two packages, at an additional cost. Height of the base without the lampshade to the socket ring: 51 cm. Diameter: 20 cm; Weight = 2.7 kg. Lampshade: H = 35 cm, diameter = 42 cm, weight = 500 grams.
