### Description

Floor lamp in the style of Jean Royère, 1940s.

Elegant blackened metal floor lamp with a slender stem and arched arms ending in a perforated drum shade (gilded interior) for a soft, graphic light. The airy tripod base rests on brass ball feet, a nod to Royère's signature style (supple lines, controlled whimsy, exquisite details). Light silhouette, chic presence: perfect next to a sofa or armchair to create a reading nook. Discover all our other products on our website:
