Description

Marble side table with wrought iron base and brass balls in the style of Jean Royère, 1940s. This elegant coffee table features a round, veined marble top resting on a slender, blackened wrought iron base, joined by a cruciform stretcher and finished with four brass balls. The overall effect evokes Royère's signature style: graphic lightness, controlled whimsy, and exquisite details. Ideally placed in front of a sofa or between two armchairs, the marble adds a touch of chic while the airy base lightens the space.
