Description

Oil painting on canvas depicting a street in Créteil at the beginning of the century. A very interesting Impressionist painting, signed lower right and dated 1907. The signature needs deciphering and the artist needs to be identified. An inscription on the back indicates the location: Rue Dubuisson in Créteil in 1907. Note the softness of the colors used and the mastery of light, giving the work a very particular character. This rare painting is a testament to the work of a skilled artist working outdoors from life in 1907, and would be a fine addition to any collection. Shipping is available within France and worldwide via secure, insured packaging with order tracking. The painting can also be collected in person at the Avallrich estate in Montescot (66200), France (tel. +33 6 11 14 25 33), or at the
