Description

EXPLANATIONS: 1. General Information: Made of Ebony: A precious, dense, black wood, renowned for its fineness and luster. It adds a touch of elegance and contrast to the table. 2. Design: - Shape: The table has a rectangular shape with scrolled ends, a classic decorative motif in Chinese art. - Style: It is in the traditional Chinese style, possibly influenced by Ming (1368-1644) or Qing (1644-1912) furniture. - Finish: The black patina finish gives the table an aged and authentic look. 3. Characteristics: - Unique Piece: Each table is unique due to the wood grain and handcrafted finish. - Versatility: It can be used as a coffee table, bench, or decorative piece. - Handcrafted: Traditional Chinese woodworking techniques are used to assemble and carve the table. 4. Care: - Clean
